

# Keep This Fire Burning (Stelartronic Remix)

## Parov Stelar

People say  
That I'm a fool  
For keeping you around  
They tell me that  
You're just no good  
Today we're gonna bring it back  
You don't know  
The things you do to me  
The way they make me feel inside, girl  
Just keep the fires burning, baby  
Burning, baby  
And don't you ever stop, baby  
Spread your love, hey  
Burning, baby  
Burning, baby  
Really make it hot  
Spread your love, hey  
I know I'm not the only guy  
To check out on my mind, baby  
Can't find a reason why  
You've gotten so lost  
Really, really  
Make it hot  
It keeps my fire burning  
Oh, you've got to just  
Keep the fires burning, baby  
Burning, baby  
And don't you ever stop, baby  
Spread your love, hey  
Burning, baby  
Burning, baby  
Really make it hot, babe  
Spread your love, hey  
Come on  
What I really mean  
The things on my mind, yeah  
You're still there  
Yeah, it keeps me  
And keep the fires burning baby

Burning, baby  
And don't you ever stop, baby  
Spread your love, hey  
Burning, baby  
I know I'm not the only guy  
To check out on my mind, baby  
Can't find a reason why  
You've gotten so lost
