Club U.S.A.

Hank Williams, Jr.

Being born here, it's like hitting the lottery
If you're lucky enough, to live in the land of the free
If your in, then I say you guided me in the shade
Everybody was in club USAI'm a good standing member, I bleed red, white and blue
I believe in the american dream, now brother, how 'bout you? (I sure do)
If you don't want in, you must live in a daze
Everybody was in club USAClub USA
Once you're in, you're gonna wanna stay
It is the place where everybody wants to live, work and play
A piece of paradise, club USAWe got swimming pools, barbecue in the back yard
Got kid rock and Sandra, dirty, hairy movie stars
If your messing us, best get out of our way
We'll steam roll you, club USAClub USA
Once you're in, you're gonna wanna stay
It is the place where everybody wants to live, work and play
A piece of paradise, club USA
Its the good life, club USA
(Ow)Hey, club USA
Once you're in, you're gonna wanna stay
It is the place where everybody wants to live, work and play
A piece of paradise, club USA
A piece of paradise, club USAIt's the place I'm gonna live, work and play
We got it made at club USA
Made in the shade, club USA
Live and pray, everyday
What you say?
Club USA(I said U-S-A, baby)USA
