

Don't Upset the Rhythm (Go Baby Go)

Noisettes

Don't upset the rythem, no
Don't upset the rythm,

The time is right, the sun is sleeping in the sky,
Free your mind, you never know what you might find,
What's your vice? you know we won't comprmise,
so let me show you something super beautiful,
Let's rock the boat, The magic is unstoppable,
For on the floor it's the rythm you've been waiting for,
Pure delight,
Kick, Snare, Hat-ride,

It's all up to you,
and whatever you do,
Don't cut into my actions
4, 3, 2, 1

Go baby, Go baby Go!
Don't upset the rythm though,
Go baby, Go beby Go!
Don't upset the rythm,
Go baby, Go baby Go!
Don't upset the rythm, don't you dare!
Go baby, Go baby Go!
Don't upset the rythm..

Skin and bone,
And the baton microphone,
Can't get home,
But you can use my dog and bone,
We'll crank the stereo,
even when the speakers blow,
DIY, Just meet me up in paradise,

Whatever it takes,
to carry you away,
It, all comes down to actions,
4, 3, 2, 1,

Go baby, Go baby Go!

Don't upset the rythm though,
Go baby, Go baby Go!
Don't upset the rythm,
Go baby, Go baby Go!
Don't upset the rythm, don't you dare!
Go baby, Go baby Go!
Don't upset the rythm..

Go baby, Go baby Go!
c'mon, Go baby, Go baby Go!
This time I like it,
Go baby, Go baby Go!
Now don't you dare..
Don't upset the rythm,

ooh-NO!

Don't upset the rythm though!
Go, Go, Go!
Don't upset the rythm,
Go, Go, Go!
Don't upset the rythm don't you dare...
I told ya!
Don't upset the rythm!

Go baby, Go baby Go!
Don't upset the rythm though,
Go baby, Go baby Go!
Don't upset the rythm,
Go baby, Go baby Go!
Don't upset the rythm, don't you dare!

Hey!

Go baby, Go baby Go!
Don't upset the rythm though,
Go baby, Go baby Go!
Don't upset the rythm
Go baby, Go baby Go!
Don't upset the rythm don't you dare!
Don't upset the rythm,
Go!
