

At the End of the Day

Van Morrison

Tell me what do you get at the end of the day?
Is it all worth the while, can you put on a smile?
Does it fill you with pride all the feelings inside?
Or do you just wanna hide?
Can you still walk away at the end of the day? At the end of the day, are you lonely or sad?
Do you think you've been had?
Is your heart ever glad or are you afraid?
'Cause you don't have it made that you don't make the grade
Or of what people say at the end of the day At the end of the day, is your framework intact?
When you clean up your act, do they keep coming back?
Do you say follow that pat yourself on the back?
Do you get what you lack, do they give you respect
Or is it after the fact at the end of the day? Tell me what do you get, is it heartache and pain?
Does it keep coming back every time that it rains?
When I see you again, will it still be the same?
Am I really to blame?
'Cause I don't play the game at the end of the day
