

Hey You! (feat. Ryan Tedder)

Cassius

Hey you!
If you wanted to go
If you wanted to go
I'd take you anywhere that I could
I'd take you anywhere that I could And if you're running away
If you're running away
Keep running till you know that you're good
Keep running till you know that you're good Woo! Hey you! And if you feel the same
The shadows turning to rain
Hey you
I'll do anything
I'll do anything
I'll do anything Woah! Now I'm standing alone
Standing alone
I'm hoping that you right my wrongs
I'm hoping that you right my wrongs
Yeah-hey And if I let you fall
If I let you fall
There will never be another one
I'm telling you, you're the only one And if you feel the same
The shadows turn into rain
I'll do anything
I'll do anything
I'll do anything Hey you! And if you're feeling the same
The shadows turn into rain
I'll do anything
I'll do anything
I'll do anything And if you're feeling the same
The shadows turn into rain
I'll do anything
I'll do anything
I'll do anything
