

waiting

Evan Taubenfeld

Time is running out
You know I've gotta leave
You're holdin' on so tight
That I can hardly breathe All I wanna do
And what I try to say
Is we can make it through
But then you tell me I will wait for you forever
Don't be gone too long
'Cause we're hanging on
Like we always do
When it all goes wrong I remember that I'm
Lucky that I found you
And after all that that we say and do
I think you know it's true
That I will be waiting That I will be waiting too The clock keeps ticking on
But I'll be coming soon
I'm counting every minute
Down cause I miss you I'll be there for you forever
Hanging on like we always do
When it all goes wrong
I remember that I'm lucky that I found you And after all that we say and do
I think you know it's true
That I'll be waiting I will be waiting too Cause we're hanging on like we always do
When it all goes wrong I remember that I'm lucky that I've found you
After all that we say and do
I think you know it's true
That I'll be waiting I'll be waiting I'll be waiting for you
(I'll be waiting)
I'll be waiting for you
(I'll be waiting)
I'll be waiting I'll be waiting for you for you
