

# One Hand Loose

## Sun Cats

I'm a tip-top daddy and I'm gonna have my way  
Keep away from the corners is what I got to say  
With a-one hand only, get a-ready for a ride  
Give me one hand loose and I'll be satisfied  
Give me a free hand baby, 'cause I wanna rock  
Turn me loose and maybe I will blow my top  
Give me a free hand woman, let it swing by my side  
Just give me one hand loose and I'll be satisfied  
Turn loose! Oh, turn loose!

Well, feel the rhythm in your bones and you know how I feel  
But don't you grab me close baby, this time is for real  
Get ready for some rockin', pick 'em up and put 'em down  
Give me one hand loose and I'll be satisfied  
Give me a free hand baby, 'cause I wanna rock  
Turn me loose and maybe I will blow my top  
Give me a free hand baby, let it swing by my side  
Just give me one hand loose and I'll be satisfied  
Satisfied! Oh, do it!
