

Mr. Dream Merchant

Dusty Springfield

Hey, Mr. Dream Merchant
Everything depends on you
Oh, hey, Mr. Dream Merchant
Bring him back to me
And make my dreams come true When I said goodbye to my love
I didn't mean to make him cry
I didn't realize that I had love
Now I need him by my side Oh, hey, Mr. Dream Merchant
Everything depends on you
Oh, hey, Mr. Dream Merchant
Bring him back to me
And make my dreams come true You should have told this fool to stop it
You should have made this blind girl see
I got my pride back in my pocket
Won't you bring him back to me? Oh, hey, Mr. Dream Merchant
Everything depends on you
Oh, hey, Mr. Dream Merchant
Can't you make him see we need each other?
I'm no good alone; I really, really, really love him
Bring him back to me and make my dreams come true Oh, hey, Mr. Dream Merchant
Can't you make him see we need each other?
I'm no good alone; I really, really love him
Bring him back to me and make my dreams come true
