I Go Stay

Nosa

Whoooo who wwho...
Sababdadada...
Who who hu huu...

When I wan pray I no dey pray like who no get faith
Me I no dey rush i no dey pray like who no fit wait
I no dey pray in an anyhow way
But according to the way wey God work say
Make we dey pray (make we dey pray) i i.
And when i dey pray for any matter
And he be like say the matter no dey better
I no dey shake
I no dey worry
As long as God still dey for heaven

()
I go stay
I go wait
Till my prayer don prevail
And my faith
No go shake
Cause Jesus never fails
I go pray da
Fervent prayer
Of the righteous must avail
God go answer me before i even open mouth to say (in Jesus name)

He get one man
Him name na Elijah
This guy pray
And God no deny am
He tell God say I no want rain
And for three years plus
God honour Him name
What of Jacob wey tell God
Say If You no bless me You no dey
Commot
What of Hannah
What of Esther

What of Jabez
And the rest
See this guys them wey I mention
Back in the days, them dey hold God to ransom
If this guys fit dey call God attention
What of me wey be New Creation

No case go fit make me craze
Because I dey rely on my Master's grace
I no dey do like who no get God
Christ in me no be just to dey talk
I go pray in Spirit
Pray in tongues
Because i be priest, I go pray for all

In Jesus name, call the name
In Jesus name, call the name
In Jesus name, call the name
