Strange Design

Uh Huh Her

Lost in the dark
I'm waiting here
I don't know where you are
Its true
Time in a way
It can be bittersweet
Get lost in the dark
With me
When the world gets cold
Tell us to begin again
Move me
When time passes by
I say to begin again
Your strange design
Your naked love
Hold me true tonight
Don't know what you are
To me
Death from the one you love
Lost in her dark
I know of the sound
That strange design
When the world gets cold
Tell us to begin again
Move me
When time passes by
I say to begin again
Your strange design
