

A Culture of Fragments

Rome

(romanian)

Vom sta printre umbre,
prin poienile arz nde,
gata de a deveni ho i de  nchiriat
 zi vom r fm ne invizibili,
vom c fl tori alene,
dar nu ne vom gr bi pasul c tre lumin f...
 zi vom dansa,
dac  putem,
cu ochii  nchi i,
de-a lungul grani elor,
de-a lungul drumurilor.
