

# Just One Last Dance (Kayrob Dance Remix)

[Sarah Connor](#)

Just one last dance....oh baby...just one last dance  
We meet in the night in the Spanish caf  
I look in your eyes just don't know what to say  
It feels like I'm drowning in salty water  
A few hours left 'til the sun's gonna rise  
tomorrow will come an it's time to realize  
our love has finished foreverhow I wish to come with you (wish to come with you)  
how I wish we make it throughChorus:  
Just one last dance  
before we say goodbye  
when we sway and turn round and round and roundit's like the first time  
Just one more chance  
hold me tight and keep me warm  
cause the night is getting cold  
and I don't know where I belong  
Just one last danceThe wine and the lights and the Spanish guitar  
I'll never forget how romantic they are  
but I know, tomorrow I'll lose the one I loveThere's no way to come with you  
it's the only way to doChorus 3x (until fade)Just one last dance, just one more chance, just one last dance
