Laura, can't you give me some time?
I've got to give myself one more chance
To be the man that i know i am
To be the man that i know i am
Won't you just tell Cincinnati? I'm gonna need your love don't you give your love Dont you give me your LOVE
sh'mon, sh'mon
Where is your love?
Don't you give me your love Don't you give me your sh'mon, sh'mon
Where is your love?
Dont you give me your love Dont you give me your
Freida, can't you spare me a dime?
I've got to give myself one more chance
To ring the band that i know im in
To ring the band that i know im in
Won't you just tell Babby Daddy?
I'm gonna need his love

Why dont he give me he love?
Why dont he give me he
sh'mon, sh'mon
Where is your love?
Don't you give me your love
Don't you give me your sh'mon, sh'mon
Where is your love? Don't you give me your love

This'll be the last time i ever do your hair
Tired of this s**t swear im gonna quit
Can't seem to make enough dough
But my cuttin's on a roll
One face amodng the many
I never thought you cared
Seen enough stuff though i got rough
Now i know it ain't so
I gotta live my own x2
