

# Undo (Sweden)

[Sanna Nielsen](#)

Silent I can't wait here silent, working up a storm inside my head  
Nothing I just stood for nothing, so I fell for every thing you said

Hear the rumble, hear my voice

Silent I can't wait here silent

Gotta make a change and make some noise

U-u-u-undo my sad U-u-u-undo what hurts so bad

U-u-u-undo my pain

Gonna get out, through the rain

I know that I am over you

At last I know what I should do

U-u-u-undo my sad, love

Trouble, baby I'm in trouble every time I look into your eyes

Save me, oh I'm gonna save me

Far away from all the crazy lies

Hear the rumble, hear my voice U-u-u-undo my sad

U-u-u-undo what hurts so bad

U-u-u-undo my pain

Gonna get out, through the rain

I know that I am over you At last I know what I should do

U-u-u-undo my sad

U-u-u-undo my sad

U-u-u-undo what hurts so bad

U-u-u-undo my pain

Gonna get out, through the rain

I know that I am over you

At last I know what I should do

U-u-u-undo my sad

I said, love, undo...
