Hayley Kiyoko

I hear you like a whisper
In the corner of the love seat lights
Like sand through a filter
Trying to capture, what time forgot
I need you to be here
I need to see you crystal clear
Like diamonds in a coal mine
In the moonlight, when you appear
Girl, ease my mind
Never fight, I need your mind
Can't fake it cause you're haunt me, baby
Cause you're haunt me, baby
I feel you in the wind chill and it's so real
Straight through my bones
I can only just imagine, your passion
You take me home
I need you to be here
I need to see you crystal clear
Like rubies in the red night
In the dark sky, when you appear
Girl, ease my mind
Never fight, I need your mind
Can't fake it cause you're haunt me, baby
Cause you're haunt me, baby
Haunt me to my grave
Don't you ever fade away
Sing every delusion
I don't want a phase
You keep me up, you keep me up at night
Girl, ease my mind
Never fight, I need your mind
Can't fake it cause you're haunt me, baby
Cause you're haunt me, baby
Girl, ease my mind
Never fight, I need your mind
Can't fake it cause you're haunt me, baby
Cause you're haunt me, baby
