

# Love Dump

## Static-X

I've always loved you  
I've always loved you  
Love dump, love dump, love dump I can't believe I'm  
Letting you do this to me  
Love dumpling, love dumpling I've always loved you  
I've always loved you  
Love dump, love dump, love dump Do this to me, do this to me  
Do this to me, do this to me Love dumpling  
I've always loved you  
Love dumpling, love dumpling
