Honi Honi

Laga Savea

Twinkling stars in the sky remind me of your pretty eyes,
And when sunsets in Wianae,
I dream of you by my side,
See birds that fly to the sea,
Oh bring my honey to me,
(Yeah)
[Chorus]
Honi Honi me in your arms,
Like a baby with your charm,
Honi Honi me all night long,
For you I sing this song,
Honi Honi me in your arms,
Like a baby with your charm,
Honi Honi me all night long,
For you I sing this song,

Tradewinds down Makaha Valley,
Tells me that it's you that I'll marry,
Like the waves on Maile Beach,
I'm always here for your reach,
The summer breeze in the morning is like your kisses that I'm earning,
(oh yeah)

[Chorus]

By the way just call me Sale,
Now Komo mai to my Hale,
To the sunrise up in Waimanalo,
When it falls and we can follow,
You know my heart for you is truly,
Just like the love we have in Nanakuli,
(ohhhhhhhhhh)

[Chorus x2]
