

Catch (Misha Klein & Prohorov Remix)

[Kosheen](#)

Catch you You create misery
Have your cake and eat it
Take your place in history
And pray we don't repeat it Call it faith,
call it back,
call it off
Don't call me later
Lay your head in your bed
It's just how they made it Out of my way I'm running
I'm gonna catch you if I can
Out of my way I'm coming
I'm gonna catch you if I can Out of my way I'm running
I'm gonna catch you if I can
Out of my way start running
I'm gonna catch you It's your day believe it
It's your date with destiny
It's too late to leave it
After all it's your
it's your party
Call it luck, call it faith,
call me beautiful to my face
Call it out to my surprise
It's just how they made it Out of my way I'm running
I'm gonna catch you if I can
Out of my way I'm coming
I'm gonna catch you if I can Out of my way I'm running
I'm gonna catch you if I can
Out of my way start running
I'm gonna catch you Out of my way I'm running
I'm gonna catch you if I can
Out of my way I'm coming
I'm gonna catch you if I can Out of my way I'm running
I'm gonna catch you if I can
Out of my way start running
I'm gonna catch you Catch you
Catch you
