Honey Honey

Abba

Honey, honey, how you thrill me, ah, hah, honey, honey
Honey, honey, nearly kill me, ah, hah, honey, honey
I'd heard about you before, I wanted to know some more
And now I know what they mean, you're a love machine
Oh, you make me dizzyHoney, honey, let me feel it, ah, ha, honey, honey
Honey, honey, don't conceal it, ah ha, honey, honey
The way that you kiss goodnight, the way that you hold me tight
I feel like I wanna sing when you do your thingI don't wanna hurt you, baby, I don't wanna see you cry
So stay on the ground, girl, you better not get too high
But I'm gonna stick to you, boy, you'll never get rid of me
There's no other place in this world where I rather would beHoney, honey, touch me, baby, ah, hah, honey, honey

Honey, honey, hold me, baby, ah, hah, honey, honey You look like a movie star, but I know just who you are

And, honey, to say the least, you're a doggone beastSo stay on the ground, girl, you better not get too high There's no other place in this world where I rather would beHoney, honey, how you thrill me, ah, hah, honey,

honey

Honey, honey, nearly kill me, ah, hah, honey, honey I'd heard about you before, I wanted to know some more And now I know what they mean, you're a love machine Oh, you make me dizzy
