

# Dust in the Wind

## Boomhauer

Man I tell you what Hank bout there-that dang ol meaning o'life, man. It's like this man. You' like a butterfly  
flappin 'is wings

an' it gonna cause a tree fall - cause a tree fall

If-an ain't no body see it nobody don-done-e'en know it happen

baby born into this world

int'know neck god dang friends

find out about em ol evilit's like your born into this world man

it's like dust in the wind

you don even know man - don even know man - don even know manit's like your born into this world man  
it's like dust in the windyou don even know man - don even know man - don even know man(pause)that's what

we tell ourselves isn't it boomhauerlike a dang ol' candle in the wind - it don matter man

now I think therefore you are - and now I think therefore you areYou' like a butterfly flappin 'is wings

it gonna cause a tree fall - cause a tree fall

n' no body see it nobody don-done-e'en know it happenit's like your born into this world man

it's like dust in the windyou don even know man - don even know man - don even know manit's like your born  
into this world man

it's like dust in the windyou don even know man - don even know man - don even know man

that's what we tell ourselvesit's like your born into this world man

it's like dust in the windyou don even know man - don even know man - don even know man
