

# As Lambs

## Haste The Day

you send us out as lambs amongst the wolves  
but the Lion stands by our side  
you will be my guide  
i need you to lead me  
i am so weak without you  
i'm tired of fighting  
i need you to fight for me  
you will be my guide  
Jesus

your voice is so sweet to my ears  
Jesus  
i desire to be close to you  
fill me with your Spirit God  
you've given me a sword to kill my enemies  
Father, take these struggles from me
