

It's D Only Thang

Snoop Dogg

Winners, everybody wants to be a winner
Winning is everything, no, winning is the only thang
Winning ain't everything, winning is the only thang
When you're living life in the game,
Winning ain't everything, winning is the only thang
When you're living life in the game,
Winning ain't everything, winning is the only thang
When you're living life in the game,
Winning ain't everything, winning is the only thang
When you're living life in the game, I can jump out the gym, I can run, I can swim
I am heavy on the case, I stay in first place
Mud on my shoes, taste blood on my face
Out of town, touch down never out of bounds
I train for the gold, I can go trill ground
Steel city baby, we've got super bowl bound
Wreck-a-leck a sec while I check a check a flag
All this winning got me grinning
All this loosing got you mad
Winners, everybody wants to be a winner
Winning is everything, no, winning is the only thang
Winning ain't everything, winning is the only thang
When you're living life in the game,
Winning ain't everything, winning is the only thang
When you're living life in the game,
Winning ain't everything, winning is the only thang
When you're living life in the game,
Winning ain't everything, winning is the only thang
When you're living life in the game, No more Chuck Tees on my feet, it's just Adidas
Man they get the truth to the streets
And like the siege, I'm on a fifty game win streak
I can't be beat, I am the real heat
Real kings wear rings, that's what we say
I threw a shirt out and cut out I'm on my way
PGA car under heat make playin'
It's what amazing happens in the NBA
Winners, everybody wants to be a winner
Winning is everything, no, winning is the only thang
Winning ain't everything, winning is the only thang
When you're living life in the game,
Winning ain't everything, winning is the only thang
When you're living life in the game,

Winning ain't everything, winning is the only thang
When you're living life in the game,
Winning ain't everything, winning is the only thang
When you're living life in the game, Aye, oh we don't take them on the west side
Yeah, I was born to be the best ride
Rest is sleep is for the weak
The last shot you all can go and put it on me
The last swing, the last throw, W is all the dog know
W-I-N, W-E-S-T-O-G, Snoop D-double G Winners, everybody wants to be a winner
Winning is everything, no, winning is the only thang
Winning ain't everything, winning is the only thang
When you're living life in the game,
Winning ain't everything, winning is the only thang
When you're living life in the game,
Winning ain't everything, winning is the only thang
When you're living life in the game,
Winning ain't everything, winning is the only thang
When you're living life in the game, Yeah, no matter what game it is, win it
It ain't everything, it's the only thang
And make sure you go hard, blood, sweat and tears
Shout out to all the winners out there
That's all I do is win, you do?
It ain't easy, congratulations,
Win all
