

We Party Hearty

Atlantic Starr

When we party, we party hearty
When we boogie, we boogie-woogie
When we party, we party hearty
When we boogie, we boogie-woogie Yeah, alright now, yeah
Givin' invitations to everybody, yeah
To come along with L.T.D. and party
Forget any troubles that you might have
Let yourself be free, get into the madness Alright, yeah, I'm gonna go an' do that, do that, do that, do that
Let's tear the roof off if we can, yeah
Let's boogie down until the end Hang up your hangups, they belong to yesterday
Listen to the music that we playin'
Because this song has been designed
With the people who party in mind
We've got a little thing for everyone to sing
So clap your hands and make it funky Hey yeah
Hey yeah When we party, we party hearty
When we boogie, we boogie-woogie
When we party, we party hearty
When we boogie, we boogie-woogie I don't think there's anything that's better, yeah
Than a crowd of people singing, all together
And it especially makes me feel so happy, yeah
When you all join in and start to clap it Because this song has been designed
With the people who party in mind
We've got a little thing for everyone to sing
So clap your hands and make it funky Hey yeah
Hey yeah When we party, we party hearty
When we boogie, we boogie-woogie
When we party, we party hearty
When we boogie, we boogie-woogie Alright, yeah, yeah, yeah
Oh yeah I don't think there's anything that's better, yeah
Than a crowd of people singing all together
And it especially makes me feel so happy, yeah
When you all join in and start to clap it Because this song has been designed
With the people who party in mind
We've got a little thing for everyone to sing
So clap your hands and make it funky
Yeah, yeah When we party, we party hearty
When we boogie, we boogie-woogie
When we party, we party hearty

When we boogie, we boogie-woogie When we party, we party hearty
When we boogie, we boogie-woogie
When we party, we party hearty
When we boogie, we boogie-woogie
