

# It'll Be Her

Charlie Landsborough

If anyone ever finds a better way of love

It'll be her loving me

If anyone ever goes out of their way to show they care

It'll be her loving me She's every woman that I've ever know rolled up in one

And if I never love anymore she'll be the one to get it done

The way it should be

It'll be her loving me If ever I'm down and out and need some one to love

It'll her Loving me

If ever I'm in the cold and I need someone warm to hold

It'll be Her loving me She's every woman that I've ever know rolled into one

And if I never love anymore she'll be the one to get it done

The way it should be

It'll be her loving me She's every woman that I've ever know rolled up in one

And if I never love anymore she'll be the one to get it done

The way it should be

It'll be her loving me If anyone ever finds a better way of love

It'll be her loving me
