

Diamond Ring

Bon Jovi

Diamond ring wear it on your hand
It's gonna tell the world I'm your only man
Diamond ring, diamond ring
Baby you're my everything diamond ring
Red red rose brought it home to you
Blood red rose tells me that you're true
Red red rose, blood red rose
Like a fire inside that grows blood-red rose
When you're hungry I will fill you up
When you're thirsty drink out of my loving cup
When you're crying I'll be the tears for you
There's nothing that I wouldn't do for you
Mmm ooh
When you're hungry I will fill you up
When you're thirsty drink out of my loving cup
When you're crying I'll be the tears for you
There's nothing that I wouldn't do for you
No
You know I bleed every night you sleep
'Cause I don't know if I'm in your dreams
I want to be your everything
Diamond ring wear it on your hand
It's gonna tell the world I'm your only man
Diamond ring diamond ring
Baby you're my everything diamond ring
Darling you're my everything diamond ring
Now you've got me on your string diamond ring
