## Snoop Dogg

yeah

they ain't ready for this one nephew

lil jon(hey) snoop dogg(un huh)

turn this shit up nigga(let's go)

Chorus

1800 im blunted for sho

we get on you hoes everybody here turnt

1800 im blunted for sho

we get on you hoes everybody here turnt

well nigga im burnt lil mama what it do

yeah nigga im burnt lil mama what it do

shorty you burnt lil mama what it do

if a nigga make a move lil mama comin to

verse

1800 im blunted for sho snoop d.o dub

pocket full of dub all my niggas dubs rollin

on candy feelin like mesquare bitches can't

stand me hey

my niggas turnt up im a beast bitch west coast

im on the east bitch when im in the place the

hoes lose it they say they love me and the music

the spot jerkin they be gettin low she wanna roll

that's what im here fo i threw a grand up and watch it

come down that ain't for you bitch i like to hear the

sound now put your hands up i wanna see you work

she blew a kiss i blew that perp im geeked up girl

im on my tip to my niggas all on and ima get you

repeat chorus

verse

1800 im blunted for show snoop d.o. dub im higher

than a mug cameras goin off all the chickens want

hugs and when im on the bill i for show feel the club

everybody know me nigga im a star long beach lakers

see the faces in the car pimpin what it do she poppin

like a pill 1800 then my hand made it spill your party

on E if snoopy don't come you smoke about a zone

i smoke about a drum burnt in the club my hands on

her thigh a eastside nigga put his hood in the sky

she like what i say i like what she do turn that ass around  
and drop it like a fool im geeked up girl im on my tip to  
the homies all on but ima get you

repeat chorus

verse

1800 im blunted for show snoop. d.o. dub turn that shit up  
i don't buy bub tekelia got me going burnt in the club and  
everybody knowin nigga im a boss i do what i do millionaire  
status nigga who is you my locs on right baby look at me  
she like how i talk i get it from the p lil jon did it the party  
going dumb put it in the air listen to the drums snoop dogg said  
it we gettin turnt up switch us all around gettin burnt up look  
at how i do i grab her by the waist whisper in her ear then i  
touch her on her face im geeked up girl im on my tip to  
everybody on but ima get you

repeat chorus

lil jon
