

Grease

Clay Aiken

I saw my problems
And I see the light
We gotta lovin' thing
We gotta feed it right There ain't no danger
We can't go too far
We start believin' now
Then we can be who we are Grease is the word
Its got groove
Its got meaning, oh Grease is the time
Is the place, is the motion
Grease is the way we are feelin' This is a life of illusions
Wrapped up in trouble
Less then confusion
What are we doing here Its got groove
Its got meaning, oh Grease is the time
Is the place, is the motion
Grease is the way we are feelin'
Grease is the word
