

Never Gonna Quit

Honky Tonk Hustlas

Well I'm ridin' down the highway, well I'm out here on the road
Ain't too far to get back home, just ten more miles to go
I'm damn sure sick of drivin' and I damn sure need some rest
Gonna grab my bottle of whiskey and drink myself to death

Well now I lay me down to sleep, right after this here bowl
And if I die before I wake, may the devil take my soul
I thought I'd never make it this far, always thought that I'd die young
'Cause I ain't afraid of nothin', I'm a wild-ass son of a gun

'Cause you can kick me when I'm down, but I still get back up
Tell lies all over town, well I just don't give a fuck
I just keep on doin' things the way that I see fit
Ain't slowin' down until i die, ain't never gonna quit

My mind it is my prison, and this prison is my home
Even though I got all these folks around me, I feel all alone
Ain't nobody lookin' out for me, nobody but myself
Take good care of my woman, but to hell with everyone else

'Cause you can kick me when I'm down, but I still get back up
Tell lies all over town, well I just don't give a fuck
I just keep on doin' things the way that I see fit
Ain't slowin' down until i die, ain't never gonna quit

'Cause you can kick me when I'm down, but I still get back up
Tell lies all over town, well I just don't give a fuck
I just keep on doin' things the way that I see fit
Ain't slowin' down until i die, ain't never gonna quit

Ain't slowin' down until I die, ain't never gonna quit
