Rather Be Alone

The Ymr Experience

Rather Be Alone feat. Dave (Lyrics)
The YMR Experience, The Mafia Meeles, Zwelakhe Simelane, Ndumi Simelane, David Nxumalo

Intro

Yeah, aah
Yeah
This is for the grown and sexy
Those who appreciate
Aah
What the mind can do
Yeah
You, aah
We take it easy on this especially on the days we feeling a bliss

Verse 1 â€“ Zwelakhe Simelane from â€œThe YMR Experienceâ€•

They say time really flies when you have fun
I kind of thought of you when I was chilling last night
Considering the sudden change in our lifestyle
12345, then am out
Back to that Hollywood lifestyle
Me in my condo
But she donâ€™t understand, she donâ€™t know know
How I came up
Thatâ€™s why I got to write a song
Just to dedicate back to you
Yeah you you, you my homeboy
Ha, you know that
Whatever we go through
We still that family
Wherever you at, wherever am at
The same blood red
Nigga, we going in
Until then man

Chorus x 1
Itâ€™s kind of funny seeing you out there
Itâ€™s kind of funny seeing me in your space
Your plasma TV

Another track
And you still on that trap

Spoken Word Section â€“ The YMR Experience

One man, once told me that, music is a treasure in the right hands and a nuisance in the wrong oneâ€™s
So...

Chorus x 1
Itâ€™s kind of funny seeing you out there
Itâ€™s kind of funny seeing me in your space
Your plasma TV
Another track
And you still on that trap

Verse 2 â€“ Dave (David Nxumalo)

Itâ€™s quite simple
This is a sample, demo of success
Awake your senses
Stop the curses
Are you conscious conscious conscious?
Aah
Lost and you canâ€™t understand
Maybe to you, music is an accent
And my words donâ€™t sound familiar, familiar
Famil, familiar, familiar, aah
Hate on it, come on, come on
Hate on it, come on, come on
Put yourself together
Itâ€™s the beat, yourself together
Come on
Too asthmatic
The flow
Just canâ€™t have it
The track
Just canâ€™t grab it
The words
Cannot own them, yeah aah, aah
Semi-asthmatic
Yoh Yoh
Why you acting so dramatic
So dramatic
You guys are so dramatic

On your screen man

Chorus x 1
Itâ€™s kind of funny seeing you out there
Itâ€™s kind of funny seeing me in your space
Your plasma TV
Another track
And you still on that trap
