Rockstar

Peter M. Smith & Dead X-Ray

Rockstar:

Sheâ€™s a Rockstar living in a rock world,
I canâ€™t believe that I fell for such a girl
Sheâ€™s got a body full of attitude and platform shoes
Keep shakinâ€™ that thing Iâ€™m gonna blow my fuse
Sheâ€™s on fire when she hits the stage
Someone forgot to lock her cage
Sheâ€™s crazy cool when she plays guitar
She can do what she wants cos sheâ€™s a superstar

Chorus:
Rockstar, living with a Rockstar
Caught up in a world gone crazy like nothing Iâ€™ve seen before
Rockstar, living with a Rockstar
Getting everything that I want, how could I ever ask for more?

Verse 2
Getting high at the hotel bar
Sheâ€™s outrageous, never too far
Wearing her shades on morning TV
You may be looking at her, but sheâ€™s looking at me
Chorus

Solo (Guitar)

Chorus * 1 with ad libs (vocal)
