

Touch (Acoustic Version) [Bonus Track]

Seal

Without your touch
I've been lost without
The things I love Without your kiss
I've been dreaming of
The things I miss Your eyes
Your mouth
Your lips
Your touch Your eyes
Your mouth
Your face
Your touch-Chorus-
Who am I (Who am I)
Meant to tell (I'm meant to tell)
Of what will be (Of what will be)
No one knows (Still)
-Chorus-
Who am I (I need to know)
Meant to tell (What time itself)
What will be, well (Will really show)
Let it be Each day we miss
I remember times
I used to kiss
Your mouth (Your mouth)
Your eyes (Your eyes)
Your face (Your face)
your touch (Your touch)-Chorus-
But who am I (Who am I)
Meant to tell (I'm meant to tell)
Of what will be, well (Of what will be)
No one knows (Still)
-Chorus-
Who am I (I need to know)
Meant to tell (What time itself)
Of what will be, well (Will really show)
Let it be-Bridge-
Still, I need to know
What time itself
Will really show
-Bridge-

Still, I need to know
What time itself
Will really show And I say-Chorus-
Who am I (Who am I)
Meant to tell (I'm meant to tell)
Of what will be, well (Of what would be)
No one knows (Still)
-Chorus-
Who am I (I need to know)
Meant to tell (What time itself)
Of what will be, well (Will really show)
Let it be-Chorus-
Who am I (Who am I)
Meant to tell (I'm meant to tell)
Of what will be, well (Of what will be)
No one knows (Still)
-Chorus-
Who am I (I need to know)
Meant to tell (What time itself)
Of what will be, well (Will really show)
Let it be Your mouth
Your eyes
Your face
Your touch
(Ba-da, Ba-da, Ba-dow) Your touch
(Ba-da, Ba-da, Ba-Da-Da)
(Ba-da, Ba-da, Ba-Dow)
(Ba-da, Ba-da, Ba-Dow) Your touch
(Ba-da, Ba-da, Ba-Da-Da)
(Ba-da, Ba-da, Ba-Dow)
