

Keep It On The Low (feat Don Yute)

Houston

(feat. Beenie Man)

[Verse 1]

Get it out the hood like that's what's up
Had to hustle left and right like what
On the grind out for Monday love
A lil thug in me what's up
Now I step up and the game came up
All the fake cats in the back sno nuf
want to rub up they gets no love
This is for the ladies bouncin in the club put your hands up

[Beenie Man]

Bounce up your body turn it around
Mr. Houston up in your town
Girl bounce around girl bounce around

[Chorus]

Bounce ride make it shake
World wide state to state
Girls ride our way to play
But keep it on the low
Gettin cheese the legal way
Thuggin on Montego Bay
Girlies come and swing our way
But keep it on the low

[Beenie Man]

Come and twist this in the club
Jamaica up in this

[Verse 2]

Had to ride or die to live like what
Stickin to the script and neva gave up
I'ma ba-ba-ba-balla
Sippin poppin bots
If you want to run them up like us
From straight West California
Its a me oh me oh my my
This is for my ladies

[Beenie Man]

Uptown dontown ghetto girls
All da sexy bodied ladies in da club

[Chorus]

Bounce ride make it shake
World wide state to state
Girls ride our way to play
But keep it on the low
Gettin cheese the legal way
Thuggin on Montego Bay
Girlies come and swing our way
But keep it on the low
Bounce ride make it shake
World wide state to state
Girls ride our way to play
But keep it on the low
Gettin cheese the legal way
Thuggin on Montego Bay
Girlies come and swing our way
But keep it on the low

[Bridge]

When I sit and reminisce
Bout the maidens tryin to hold me down
Look who's sorry now, oh
'cause I'm tastin filet mignon
And wash it down with chilled Mutton
While they playin my song
[Chorus]

Bounce ride make it shake
World wide state to state
Girls ride our way to play
But keep it on the low
Gettin cheese the legal way
Thuggin on Montego Bay
Girlies come and swing our way
But keep it on the low
Bounce ride make it shake
World wide state to state
Girls ride our way to play
But keep it on the low
Gettin cheese the legal way
Thuggin on Montego Bay
Girlies come and swing our way
But keep it on the low
Bounce ride make it shake
World wide state to state
Girls ride our way to play
But keep it on the low
Gettin cheese the legal way

Thuggin on Montego Bay
Girlies come and swing our way
But keep it on the low
