So Sensational

Oliver Cheatham

There's something 'bout this girl that's sexy and she knows it
She's got it goin' on, she's got it goin' on, yeah
My mind is crazy just thinking of her kiss or her touch
This girl's got my mind blown
And I wouldn't trade this feeling for nothing
What she's sellin', yo I'm buyin', nothing's stoppin' me from tryin'
'Cause I wantcha, wantcha, wantcha, wantcha, watcha
Wantcha
Shorty's unpredictable, so incredible, it's despicable
How I love her, it's undeniable that she is so sensational, babe
Shorty's unpredictable, so incredible, it's despicable
How I love her, it's undeniable that she is so sensational, babe
So, so, so, so sensational
So, so, so, so sensational
So, so, so, so sensational
So, so, so, so sensational
This girl's amazin' and she's blazin', she's the truth
And I know I love her so and I can't let her go, no, no, no
She makes it to what I do crazy, sexy cool
And I'm such a bull, I don't know what to do
And I wouldn't trade this feelin' for nothin'
What she's sellin', yo I'm buyin', nothing's stoppin' me from tryin'
'Cause I wantcha, wantcha, wantcha, wantcha, watcha
Wantcha
Shorty's unpredictable, so incredible, it's despicable
How I love her, it's undeniable that she is so sensational, babe
Shorty's unpredictable, so incredible, it's despicable
How I love her, it's undeniable that she is so sensational, babe
So, so, so, so sensational
So, so, so, so sensational
So, so, so, so sensational
So, so, so, so sensational
Shorty's unpredictable, so incredible, it's despicable
How I love her, it's undeniable that she is so sensational, babe
Shorty's unpredictable, so incredible, it's despicable
How I love her, it's undeniable that she is so sensational, babe
So, so, so, so sensational
So, so, so, so sensational
So, so, so, so sensational

So, so, so, so sensational
Shorty's unpredictable, so incredible, it's despicable
How I love her, it's undeniable that she is so sensational, babe
Shorty's unpredictable, so incredible, it's despicable
How I love her, it's undeniable that she is so sensational, babe
