Already Yours

Curve

A gift from God, a small creation
A prized possession without limitationsBehind these eyes, what do you see that isn't
Already yours
Already yours
Already yoursIn fact I never wanted anything more
In fact I've never wanted anything less
Oh you shouldn't treat me like a stranger
Do you see I have the same effect
Only this time on youBehind your eyes, what can I see that isn't
Already you
Already you
Already youVoices of angels that I have heard
Voices of angels, I have heard
Voices of angels, I have heard
Voices of angels that I have heardBehind these eyes, what can I see that isn't
Already there
Already yours
Already there
Already, already yours(Don't run away) [Repeat x 6]
