Cry out for Me

DREAMERS

How'd I
get on her bad side?
I'm in,
I'm in the corner
Could be,
she wants attention
She pushed,
she pulled me toward her

Oh, I love the way that you kill me
Feels so good when you turn me down
Oh, I love the way that you kill me
Feels so good when you come back around
She likes to scream and get loud
Cry out, cry out for me
She lies and says that she's out
Cry out, cry out for me
Cry out for me
Cry out for me
Hot coal
burns like the sunlight
Break down,
break up and make up
Could be,
she wants attention
She pushed,
she pulls the walls down
Oh, I love the way that you kill me
Feels so good when you turn me down
Oh, I love the way that you kill me
Feels so good when you come back around
She likes to scream and get loud
Cry out,
cry out for me
She lies and says that she's out
Cry out,
cry out for me
Cry out for me
Cry out for me

Woo oo oo oo
Woo oo oo oo
Woo oo oo oo
Woo oo oo oo
Oh, I love the way that you kill me
Feels so good when you turn me down
Oh, I love the way that you kill me
Feels so good when you come back around
She likes to scream and get loud
Cry out,
cry out for me
She lies and says that she's out
Cry out,
cry out for me
She likes to scream and get loud
Cry out,
cry out for me
She lies and says that she's out
Cry out,
cry out for me
Cry out for me
Cry out for me
Cry out for me
Cry out for me
