For Once In My Life

Michael McDonald

For once in my life I have someone who needs me
Someone I've needed so long
For once unafraid I can go where life leads me
And somehow I know I'll be strong

For once I can touch what my heart used to dream of
Long before I knew
Someone warm like you
Could make my dreams come true

For once in my life I won't let sorrow hurt me
Not like it's hurt me before
For once I've got someone I know won't desert me
I'm not alone anymore

For once I can say: "this is mine you can't take it"
As long as I've got love I know I can make it
For once in my life I've got someone who needs me
Someone who needs me, someone who needs me

For once in my life

For once in my life I won't let sorrow hurt me
Not like it's hurt me before
For once I've got someone I know won't desert me
I'm not alone anymore

Now, for once I can say: "this is mine you can't take it"
As long as I've got love I know I can make it
For once in my life I've got someone who needs me
For once in my life, someone who needs me
For once in my life, someone who needs me
For once in my life, someone who needs me

[x4]
Someone who needs me

For once in my life, someone who needs me
