

Adult Afraid Of The Light

[Lauren Christy](#)

It's all coming back to me now, darling,
The things that I hide from are here
I used to run around late at night
Giving myself up without a fight
But now I see it, I see it clear

The truth is here
So come on, hold me tight
'Cause I was not a child afraid of darkness, but an
Adult afraid of the light
It's all coming back to me now, darling
The shadows I held in my arms
But my arms were weak, I let them slip away
Leaving me to face another day
But now I see it, I see it clear

The truth is here
So come on, hold me tight
'Cause I was not a child afraid of darkness, but an
Adult afraid of the light

Bridge:

Opening open, opening open every door
Well its A.M. not P.M. I see
Now I see it clear, the truth is here

The truth is here
So come on, hold me tight
'Cause I was not a child afraid of darkness, but an
Adult afraid of the light
