

Island Queen

Sean Kingston

This goes out to all the rude girls on the dance floor
This is your boy Sean Kingston, you already know
 Wat a gwaan
The way that you move make me fall in love
 Oh I, oh I, oh I
Your sexy brown eyes, I can't get enough
Ooh girl, you got me thinking 'bout the island breeze
Them palm trees and kissin' underneath the moon
 Oh baby girl, you need some water
Your body's gettin' hotter, the sweat drippin' off of you
 Now break it down slow
Where I'm from girl that's how we do
 So give me some more
You got the whole club watching you, you got me sayin'
 You drop, drop, drop it like an island, girl
 You pop, pop, pop it like an island, girl
 You got, got, got it like them island, girls
 I don't know where you're from
 But you're dancin' to the drums
 Like a island queen
 You're dancin' like a island queen
Oh, you're such a pretty, pretty, little thing
 Tonight you're my island queen, oh I
Girl, you're royalty but what you doin' here without your king?
 I don't know, I don't know
If it was up to me you'd be wearin' my diamond ring
 Ooh
 Come home with me, take you overseas
 'Cause you move like that's where you belong
Picture us by the water, our bodies gettin' hotter
 We'll be jammin' to the early morn
 Now break it down slow
Where I'm from, girl, that's how we do
 So give me some more
 You got the whole club watching you
 You got me sayin'
You drop, drop, drop it like an island, girl, oh
 You pop, pop, pop it like an island, girl, oh
 You got, got, got it like them island, girls

I don't know where you're from
But you're dancin' to the drums
Like a island queen
You're dancin' like a island queen
Oh, you're such a pretty pretty little thing
Tonight you're my island queen, oh, I
If you're dancing with your queen
Fellas let me hear you sing, ooh, ooh
If you're dancing with your king
Ladies let me hear you sing, ooh, ooh
You take me to another place
When I watch ya move ya waist
Ooh girl, I'm falling in love
I don't know where you're from
Or when your dance to the drum
The whole club is watchin' you
You got me saying
You drop, drop, drop it like an island, girl
You pop, pop, pop it like an island, girl
You got, got, got it like them island, girls
I don't know where you're from
But you're dancin' to the drums
Like a island queen
You're dancin' like a island queen
Oh, you're such a pretty pretty little thing
Tonight you're my island queen, oh I
Oh, oh, oh, oh, oh, oh, oh, oh, oh
My I, my island queen
Oh, oh, oh, oh, oh, oh, oh, oh, oh
My I, my island queen
Yeah, this song was dedicated to all my island girls
And if your not from the islands come see me
I'll put in a little island in ya
[Incomprehensible]
