

(hey Now) Girls Just Want To Have Fun

Cyndi Lauper

[Chorus:]

Hey now, hey now
What's a matta with ya
Girls just want to have fun now
Come on...

[Chorus]

I come home in the morning light
My mother says, when you gonna live your life right
Oh mommy dear, we're not the fortunate ones
And girls, they want to have fun
Woah girls, they want to have fun

[Chorus]

The phone rings in the middle of the night
My father yells whatcha gonna do with your life
Oh daddy dear, you know your still number one
But girls they want to have fun
Woah girls, they want to have

That's all they really want
Some fun
When the working day is done
You know girls they want to have fun
Come on

[Chorus x 2]

And the boys, they want to have fun
And the girls, they want to have fun
And the boys, they want to have fun
And the girls, they want to have

Some boys take a beautiful girl
And hide her away from the rest of the world
I want to be the one to walk in the sun

[Chorus]

Hey now, hey now
(When the working day is done)
What's a matta with ya
(You know girls they want to have fun)
Girls just want to have fun now
Come on

And the boys, they want to have fun
And the girls, they want to have fun
(Whats a matta with ya)
And the boys, they want to have fun
(Girls just want to have)
And the girls, they want to have
(Fun now)

Hey now, hey now
What's a matta with ya
Girls just want to have fun now
(Yeah, yeah, yeah, yeah)
Come on
(Fun now)

And the boys, they want to have fun
And the girls, they want to have fun
(Wanna have fun now)
And the boys, they want to have fun
(Come on)
And the girls, they want to have
(Come on)

[Chorus]

Hey now, hey now
(Oh mommy dear we're not the fortunate ones)
What's a matta with ya
Girls just want to have fun now
Come on
