

Kaleidoscope

[Matt Bianco](#)

Kaleidoscope... Dreamin'
Kaleidoscope... Dreamin'I close my eyes I'm sleepin'
Driftin' subconscious sleep
I'm running into danger
Slow motion and I can't break freeI see my own reflection
Somebody's next to me
Her head is on my shoulder
I turn and then I'm fallingInto a dream
That is not what seems
When you're just
Out of reachKaleidoscope... dreamin'
Kaleidoscope... dreamin'I see you in the distance
You're laughin' back at me
You're in a crowd of people
I get a deep anxietyThe more I try to reach you
You move away from me
I try to call your name but
No one can hear me callingInto a dream
That is not what seems
When you're just
Out of reachKaleidoscope... dreamin'
Kaleidoscope... dreamin'{whistling}Kaleiiiiiiiiiiidoscope... dreeeeeeeeeeamin'
Kaleiiiiiiiiidoscope... dreamin'
dreamin'You've got me thinkin'
That I'm sleepin'
Always double dealin'
That I'm sneakin'
Oh, heavy breathin'
Runnin' and a screamin'Kaleidoscope...(dreamin') dreamin' (dreamin' dreamin')
Kaleidoscope... (kaleidoscope double dealin') dreamin' (oh, heavy breathin')Kaleidoscope...(oh, double dealin')
dreamin' (dreamin' dreamin')Dreamin'
Dreamin'Kaleidoscope... dreamin'
Kaleidoscope... dreamin'Kaleidoscope... dreamin'
