

# Bad Luck

Louie Ramirez

Who let you get on my train?  
Who let you pick up the blame?  
Who let the dogs out?  
And who's gonna clean up your mess? Fuck you, you fucking fuck  
You ain't got nothing  
Bad, bad luck  
Bad luck, bad luck  
Bad luck, bad luck Bad luck you got in my ring  
You dance like you've got  
(Bad luck) An unenviable case of ring sting  
Who let you get in my face?  
I ain't gonna clean up your mess  
(Bad luck) Who told you you could get on this stage?  
All dressed up like you're in some kind of rage  
All dressed up like you're from some other age Bet you thought you'd get away  
Didn't ya, didn't ya?  
Bet you thought you'd get away?  
Didn't ya, didn't ya? Bet you thought you'd hide from me?  
Didn't ya, didn't ya?  
Bet you thought you'd hide from me?  
Didn't ya, didn't ya? Bet you thought you'd get away  
Didn't ya, didn't ya?  
Bet you thought you'd get away  
Didn't ya, didn't ya? (I said bad luck)  
Bet you thought you'd get away  
Didn't ya, didn't ya?  
(Bad luck)  
Bet you thought you'd get away  
Didn't ya, didn't ya? (Bad luck)  
Bet you thought you'd get away  
Didn't ya, didn't ya?  
(Bad luck)  
Bet you thought you'd get away  
Didn't ya, didn't ya? (Bad luck)  
Bet you thought you'd get away  
Didn't ya, didn't ya?  
(Bad luck)  
Bet you thought you'd get away  
Didn't ya, didn't ya? (Bad luck)

Bet you thought you'd get away  
Didn't ya, didn't ya?  
(Bad luck)  
Bet you thought you'd get away  
Didn't ya, didn't ya?
