

Plastic Stress

Terranova

Oh I'm on my own
I danced to the traffic
You know that, you've been there
And oh just out of me
I'm here, i scream
I need to renew
I start with my shoes
I buy some new high
When I fall off I cry
When you follow you die Oh I could be you
How much of you
How much of you is true?
Sometimes I triple
How happy we could be
I'm two or three
I double myself
I trouble myself
Love, love. Love in the middle of the fire fight
Love, love, love. Everybody's waiting
Everybody's something
Plastic stress
Love
Everybody's waiting
Everybody's something
Plastic stress
I double myself
I trouble myself
I double myself
I trouble myself
Plastic stress
