Hand Me Down My Walking Cane

Jerry Lee Lewis

Now if you love me please don't tease
If I can hold then let me squeeze
My heart goes round and round
My love comes a tumblin' downYou leave me ahh
Breathless, ahI shake all over and you know why
I am sure its love honey thats no lie
Cause when you call my name
You know I burn like a wooden flameYou leave me ahh
Breathless!Ooh baby, crazyYour much to much
Honey I can't love you enough
It's alright to hold me tight
But when you love me love me rightAh come on baby now don't be shy
This love was meant for you and I
Wind, rain, sleet or snow
I am gonna be wherever you goYou have left me ahh
Breathless, ahWellOoh baby, crazyYour much to much
I can't love you enough
Well its alright to hold me tight
But when you love me love me rightAh, come on baby, now don't be shy
This love was meant for you and I
Wind, rain, sleet or snow
I am gonna be wherever you goYou leave me ahh
Breathless, ah
