

# Hand Me Down My Walking Cane

[Jerry Lee Lewis](#)

Now if you love me please don't tease  
If I can hold then let me squeeze  
My heart goes round and round  
My love comes a tumblin' down You leave me ahh  
Breathless, ah I shake all over and you know why  
I am sure its love honey thats no lie  
Cause when you call my name  
You know I burn like a wooden flame You leave me ahh  
Breathless! Ooh baby, crazy Your much to much  
Honey I can't love you enough  
It's alright to hold me tight  
But when you love me love me right Ah come on baby now don't be shy  
This love was meant for you and I  
Wind, rain, sleet or snow  
I am gonna be wherever you go You have left me ahh  
Breathless, ah Well Ooh baby, crazy Your much to much  
I can't love you enough  
Well its alright to hold me tight  
But when you love me love me right Ah, come on baby, now don't be shy  
This love was meant for you and I  
Wind, rain, sleet or snow  
I am gonna be wherever you go You leave me ahh  
Breathless, ah
