

# In The Middle Of An Island

**Tony Bennett**

In the middle of an island  
In the middle of the ocean  
You and I beneath the moonlight  
With just the monkeys and the palm trees  
In the middle of an island  
When it's time to do some kissin'  
Plenty time for lots a lovin'  
And walkin' barefoot in the sand  
Though there's no island at all  
Just a picture on my wall  
My darlin', how I wish we could be  
(I wish that we could be)  
In the middle of an island

In the middle of the ocean  
You and I forever, darlin'  
In a paradise for two  
(In a paradise for two)  
Though there's no island at all  
Just a picture on my wall  
My darlin', how I wish we could be  
(I wish that we could be)  
In the middle of an island  
In the middle of the ocean  
You and I forever, darlin'  
In a paradise for two  
(In the middle of the ocean on an island kissin' you)
