## Stabbing Westward

I only see myself reflected in your eyes  
so all that I believe I am essentially are lies  
and everything I've hoped to be or ever thought I was  
died with your belief in me so who the hell am I?  
I'm wandering 'round confused wondering why i try  
the more that you deny my pain the more it intensifies...  
I pray for someone to ache for me the way I ache for you...  
if you ignore that I'm alive I've nothing to cling to  
I stare into this mirror so tired of this life  
if only you would speak to me or cared if i'm alive  
once i swore i would die for you but i never meant like this  
I don't know if I'm real without you what is left of me without you?  
I don't know what's real without you  
HOW CAN I EXIST WITHOUT YOU?
