

No Police

Doja Cat

[Intro]

Rawwr

Yeah, yeah, yeah

Whee-oooh whee-oooh, whee-oooh whee-oooh

(No police, haha, no police)

Whee-oooh whee-oooh, whee-oooh whee-oooh

Whee-oooh (no police) no police[Verse 1]

They say I bang, they never toy with me

Royal from the crown to my fucking feet

They say talk that talk, walk, but please avoid the streets

Lock the jaw, lock the door, avoid the speech

'Cause once you speak, bullshit reek like oil leak

Pop a pill, cop a feel, rock the lease

How the fuck you do that in them denim jeans?

All these bars, no police (no police)

[Hook]

(Whee-oooh whee-oooh, whee-oooh whee-oooh)

All these bars, no police

(Whee-oooh whee-oooh, whee-oooh whee-oooh)

Pop a xany - freak

All these bars, no police[Verse 2]

He calls me copper tone, smokin' ultraviolet

We turn off the phone, I'm in autopilot

Make that disappear Mr. Copperfield

When we ride, he bust them tricks, I lean and pop a wheel

Watching Brandy, sippin' brandy

Panties on the marble floor, guess my pants is fancy

Bitches acting catty on the set

Make your man tatt me on his neck

Or tap me on your back

Uhhh, that's nasty, but I'm classy with this shit

So pop a couple xanies for me quick

[Bridge]

Pop a couple xanies for me

(Pop, pop, pop, pop , pop, pop)

Pop a couple xanies for me quick

(Pop, pop, pop, pop , pop, pop)

Pop a couple xanies for me

(Pop, pop, pop, pop , pop, pop)

Pop a couple xanies for me bitch
Like, huh[Hook]
(Whee-oooh whee-oooh, whee-oooh whee-oooh)
All these bars, no police
All these bars, no police
(Whee-oooh whee-oooh, whee-oooh whee-oooh)
Pop a xany - freak
All these bars, no police[Verse 3]
Yeah, yellow bars, get it in
Somehow this shit medicine
Feel that slow high setting in
Let it take you to a place you ain't never been
Like floating on cotton candy clouds
Shirt and panties on the ground
This kitty's hot, fan it down
Make moves on me, papi, don't stand around
One for you, one for me, when we break a half
Your gentle touch on my naked ass
These summer nights, when that AC blast
Them bars put ease to your crazy past so
Baby if you need it come and get it
Just can't hold this back from you
Now pop this with me[Hook]
(Whee-oooh whee-oooh, whee-oooh whee-oooh)
All these bars, no police
(Whee-oooh whee-oooh, whee-oooh whee-oooh)
Pop a xany - freak
All these bars, no police[Outro]
(Whee-oooh whee-oooh, whee-oooh whee-oooh)
Pop a couple xanies for me quick
Pop a couple xanies for me quick
No police
(Whee-oooh whee-oooh, whee-oooh whee-oooh)
Pop a couple xanies for me quick
Pop a couple xanies for me quick
No police
(Whee-oooh whee-oooh, whee-oooh whee-oooh)
Pop a couple xanies for me quick
Pop a couple xanies for me quick
No police
(Whee-oooh whee-oooh, whee-oooh whee-oooh)
Pop a couple xanies for me quick
Pop a couple xanies for me quick
No police
