Hail The Shrine

Unearth

Blind to deceit
By our fears
To a kingdom of false pretense
Selfish hands
Fallacies
Never ending
Dominate
The fix is in
A crusade not meant to win
Historize and plagiarize to seize controlControl
ControlBelieve my every word
Believe and I will protect you
Don't criticize
Bow down you might meet your maker
I will dedicate my soul
Dedicate my life for you
Bow down you might meet your makerEyes in the sky, tyranny
A fascist stranglehold
Never ending
Submission
A punished age
Accept all though end of days
Hail the shrine
All hail the shrine to seize controlAll hail the shrine
All hail the shrine to seize controlBelieve my every word
Believe and I will protect you
Don't criticize
Bow down you might meet your maker
I will dedicate my soul
Dedicate my life for you
Bow down you might meet your makerA house of judgment so divine that we burn our brothers
