

I'm An Errand Girl For Rhythm

Diana Krall

Here's something that I'd like to bring to you
Wrapped all in cellophane, designed for you
I'll tell you what it's all about, it is without a doubt
Swing in the latest style, a service with a smile
If you want to swing and shout
Get your heels and get about
I'm an errand girl for rhythm, send me
Just get hip and follow through
I'll deliver straight to you
I'm an errand girl for rhythm, send me
You can always find me down at Smokey Joe's
That's where all the hip and groovy people go
If you want variety, take a tip and call for me
I'm an errand girl for rhythm, send me
You can always find me down at Smokey Joe's
That's where all the smart and swingin' people go
If you want variety, take a tip and call on me
I'm an errand girl for rhythm
I'm an errand girl for rhythm, send me
