

Reflection

Lyria

Standing alone, my sweet
There's no chance to find the others
It doesn't make sense to you
Because you don't want it
Looking only at your own reflection
You are nothing but a lieWhen you looked in the mirror
And saw your reflection
Since this day
Nothing more survived
Nothing more than liesLooking only at your own reflection
You are nothing but a lie
However you think this is perfection
Everything that you hideTrust me you can free yourself
Being less selfish
But I know that your only wish
Is just to keep it
